Own Root | These roses are not grafted and will not produce rootstock 'suckers.' Keep in mind, varieties may be ownroot or not based on the year's availability.

No Spray Winner | These roses are hardy and high performance, w/out the need for fungicides or insecticides. Rated by the American Rose Trials for Sustainability.

Fragrance Winner | Awarded best fragrance by the American Rose Society in yearly judging

Seattle Rose Society Pick | You can count on these roses as exceptional choices for our Pacific Northwest climate

What does it mean if disease resistance is left blank? | Variety has not been effectively tested for resistance, or it may have less than excellent performance.
